Most respected Sir,

I, the undersigned petitioner, in whose name the Shanubhogship of Keggere and 14 villages of Yadiyur Hobli, in Kunigal Taluq, are registered, beg your honour to take into your kind consideration the following few lines.

(1) I received an order accidentally from Taluq Amaldar on the 29th August of 1892 in which I am told that the registration of Shanubhogship of 14 villages was cancelled from my name. I have sent that order too with this petition for your kind consideration.

(2.) I used to pay the government more than Rs 500 landtax every year. As it became inconvenient to irrigate the lands I did not get proper result from them. Therefore there was a balance of Rs 800 landtax payable to the government. This too I have paid fully at the same time.

(3) My son Sirumalachar applied for some wet lands by his own will, he got the permission of the government and the accounts in the government were in this

The Chief Secretary to the
Government of Mysore

Sir

Referring to your official Memorandum No. 616 of the 12th ultmo forwarding for submission of Proceedings with a report a petition from Muddambi Masingrathar of Kaggere in the Kunigal Taluk praying that the Shanbogry of Kaggere and other villages in the said Taluk may be re-registered in his name as before, I have the honor to state as follows.

2. In December 1885 the petitioner's son Timmalathar applied for and obtained some government waste wet lands measuring 37-31, A-G, cultivated the same, took the produce thereof and

relinquished them next year. But as he failed to pay the Cundayem amounting to Rupees 176.14-6 he was served with a notice. He appeared and expressed his inability to pay the same owing to failure of crop and want of means and prayed for the remission of the amount. On this his father the petitioner was called on to pay the amount. He also pleaded his inability to do so and stated that he had sold all his property in satisfaction of Government arrears amounting to Rupees 800 due from him and that he had nothing to do with the transactions of his son who was divided from him and living with a relative. Enquiry shewed that the petitioner and his son lived together when the latter obtained the lands and that the petitioner also bid for and obtained some of the said lands for his son and wished to have the patta thereof made out either in his

named or in that of his son. Under
these circumstances Mr. Krishnamoorthi
Row the then Deputy Commissioner al-
lowed the petitioner a months time
in February 1889 to pay the arrears with
intimation that he would be dis-
missed if he failed to do so. As the
petitioner did not do so Mr. Crewe
dismissed him from service on the
10th June 1889. Subsequently the petitin
fully paid the arrears and prayed
for his restoration to office, but he was
informed that nothing could be done
here against the order of dismissal passed
by the former Deputy Commissioner.

3. The enclosures of the Me
morandum under reply are herewith
returned together with the record of the case.

I have the honor to be
